Request: There were inspections of Planned parenthood in 2013. I request any further inspections since that time, including plan of correction and accompanying documents, if any. I prefer results by email, but will accept regular mail, if that is all you can offer. The Pro-Life Action League is a 501(c)(3) not for profit organization that seeks to inform the public about issues regarding abortion and it's safety to mother and child.

Thank you,
